

Video Assignment Planner

Group	
My Name	Toni Simlett 1807466
Other members	Laura Jenkins, Jane Gwyn and Nicola Davies
Our Hot Topic (social issue currently being publicly debated)	
Sustainability in the contemporary world	
Hypothesis / Argument (What will each of us will be arguing in our video?)	
Laura: Environmental Developments Nicola: Economic developments Toni : Environmental protection Jane: Social Development	
Content (What will I be using to illustrate my argument?)	
I will be using a power point presentation to discuss environmental protection looking at the sustainability model in a micro, meso theory. I will be concentrating on carbon foot print and air pollution. I will be looking further into electric cars, how sustainable they are and how the capital city of Wales, Cardiff, are trying to transform the problems they have with air pollution by creating their White paper reforming travel in, around and out of the capital city, with consideration of the Future Generation Wales Act.	

P.T.O.

References (What research, theory or policies have I used in my Video?)

Mescro and micro theory, The Environmental Movement, Cardiff's Transport White paper: Transport Vision to 2030: Changing how we move around a growing city. But also how the world is changing due to the enforced lock down of the world due to CV19

Tasks (Other than taking part in the video, who will do what)

Laura will be first, then Nicola, then Toni and then Jane will end. Laura to create an introduction to our group presentation with each of us linking our presentation by introducing the next person and then Jane to conclude the group presentation.
