

Task Two

What is an opinion?

What is a fact?

What is a statistic?

Give an example of something that has been scientifically researched (i.e. it is *observable, measurable and repeatable*)

What is peer reviewed research?

What is a newspaper article?

What is a journal article?

Where would you find an example of each?

How can you make sure that the information you use in assignments is academically sourced and researched within the right places?
