Terry Borton (1970)

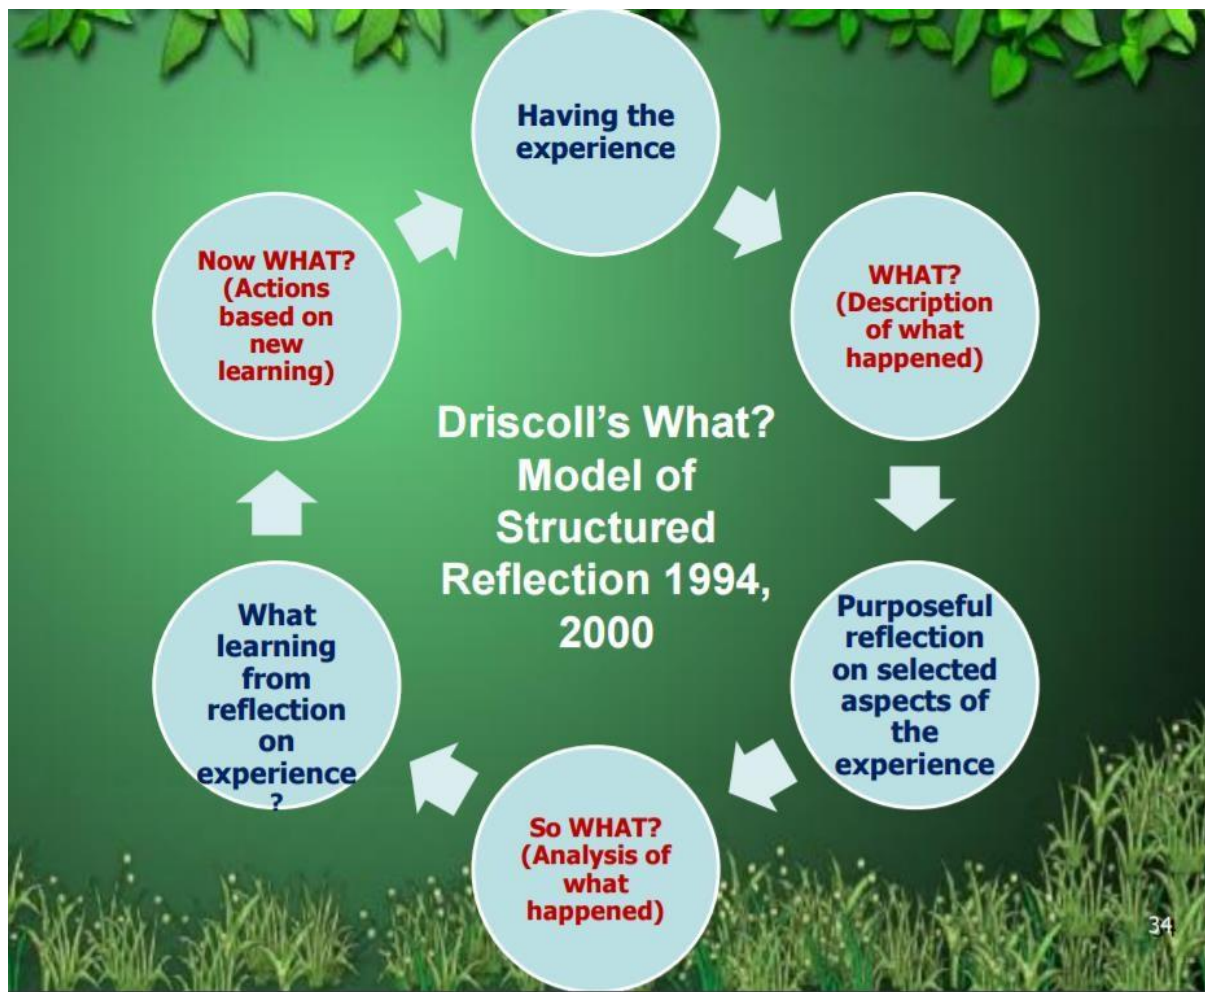

What?	What happened? What did I learn?
So What?	What will change as a result of my learning?
Now What?	How will I take my learning forward? Now what do I do? What is my action plan

Graham Gibbs (1988)

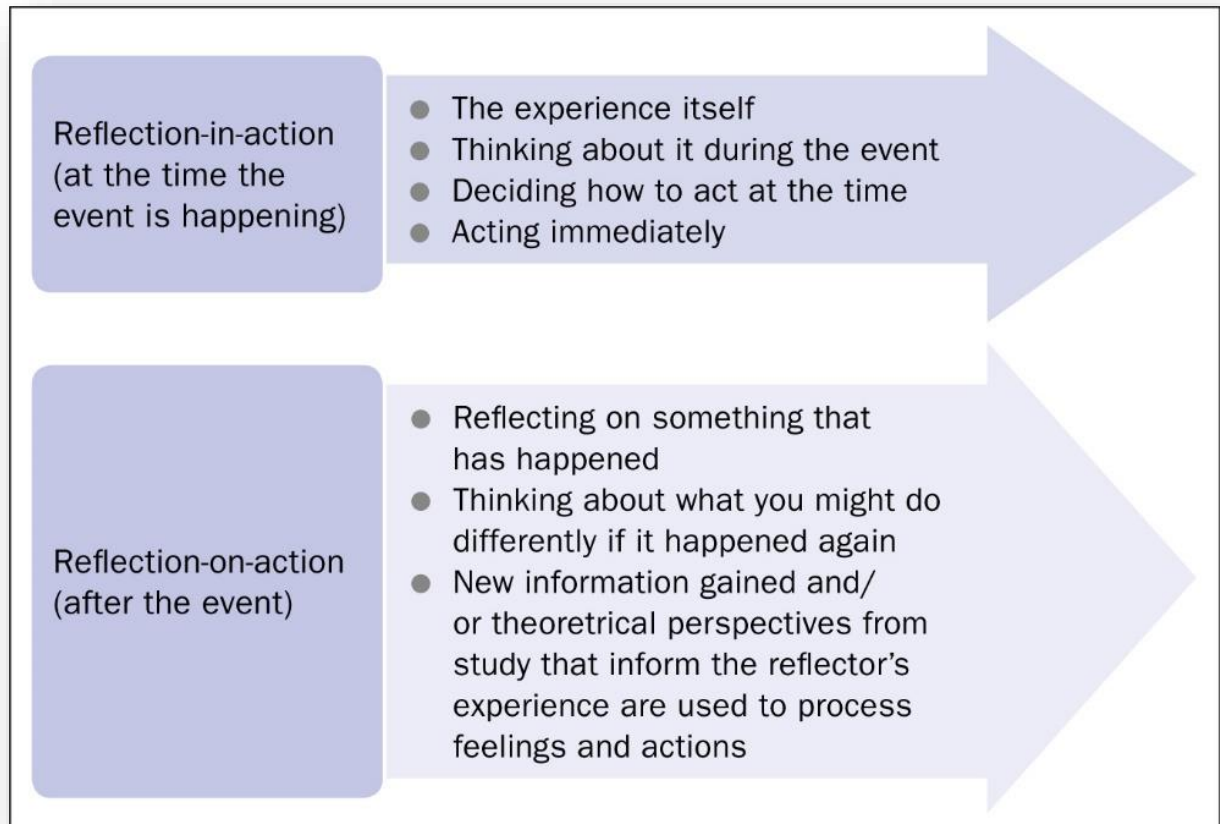

John Driscoll (1994)

What?	What did I do? What did I hope to learn? What did I actually learn?
So what?	What will change as a result of my learning? Has the change made any impact?
What next?	How will I take my learning forward? What are the next steps? What is my action plan

Donald Schön (1983)
