Mini Bibile

World setting

Westworld this world setting over the entire world, belongs to the virtual world, his story probably took place in the early nineteenth century. In the western part of the continent has a vast and desolate land, and this is a group of passionate and fearless pioneers, they are keen on adventure and treasure hunting, they are full of sense of justice to injustice.

Story setting.

In this story, the main character is traveling alone because of his past life's passing, and in a tavern that he inadvertently enters one day, the reward is being offered for the very culprit that caused him to fall alone to the bottom of the heap, and one of the reward messages has the man's information in it, so he drinks a glass of wine and sets off

straight away, he wants to find him and get his revenge.

So he walked alone, he walked most of the places where he appeared, but did not find, eventually, in a barren desert, a man brushed past him, he recognized the other person at once is the reward, and the other person also recognized that he is seeking revenge, eventually, the two of them silently miss the five steps, and finally turned

Characters

Protagonist Jack

A very traditional and classic cowboy, he was born in a rich family, but in a man-made accident in his early childhood, his family was broken, but he survived, he watched his family being destroyed by someone else, he remembered that person, but he was incapable of it, and so he grew up living on his own by himself, and he doesn't know how he grew up like this, but nowadays he has a good sense of humor and fun, but when it comes to his parents but is very angry.

The wanted man
A mysterious outlaw with a different story than the protagonist's family, who single-handedly caused the destruction of the protagonist's family, is wanted for a special reason, but is not caught, but deliberately reveals his whereabouts for people to apprehend for reasons unknown.
