

RED

Experimenting with colour & backgrounds

For this session you will need to prepare RED paper

1. Students need to prepare RED paper to be used as backgrounds:
2. X1 A2 sheet: Made into a grid - 4 sections - x2 in red, x2 in white
3. X2 A2 sheets: fully red background using
4. either or a mix of: paint, ink or collage

Can be used as a “pop of colour”

Or a dynamic
background
to work from
