

ESDGC In Action

How is Sustainable Development and Global Citizenship used in lessons?

Expressive Arts

Drama

Re-enactment of dreamtime moralistic stories introducing Australian native's traditions and values through acting methods (School, A, 2020)

Art

Using influence of Australian Native moralistic animal origin stories to create their own story, decorating with earthy naturally sourced and occurring colours (School, A, 2020)

Health & Wellbeing

Healthy eating is incorporated with discussions on where our food comes from, if it is sustainably sourced and creating graphs and displays to demonstrate geographical location and number of food miles for dishes such as apple crumble (School, A, 2020).

Humanities

Pupils learn about Brazilian Favelas where the population live with limited prospects and amenities. Education, economics, social and ethical influences are analysed and discussed (School, A, 2021)

Science & Technology

Design & Technology

Product analysis and development incorporates materials and consideration of sustainability including recycling and reusing items and reducing waste (Schools, A, 2020)

Science

Learning types and methods of renewable energy and environmental impacts of them. Including Fossil fuels and global carbon emission impact (School, A, 2020).

Language & Literacy

English Literature

Of Mice and Men is studied exploring cultural differences including segregation in America and the emotional impacts of the treatment of mental health and social issues (School, A, 2020)
