Marked By	Nitheesh Murugan Kaliyamurthy

Engagement with Literature Skills	15
Feedback	Marks
Could have referred to more sources and materials in addressing threats, attacks and vulnerabilities. Key concepts (possible security breaches, threats, vulnerabilities, attacks, .meds) discussed. The report is well associated with the scenario given. Excellent. Literatures referred to the work are not adequate. More academic credible literatures could have been referred to the work. Critical appraisals on the literatures could have added value	10.2

Knowledge and Understanding Skills	15
Feedback	Mark
The possible security breaches were addressed well with adequate/ appropriate references. Threats, vulnerabilities and attacks related to the scenario could have been more descriptive. .meds description could have included with similar kind of attacks. The strength of the statements used is very good. Could have added more evidences to the statements used. The structure and quality of the report is Excellent. Could have added sub-headings within each task.	13.6

Cognitive and Intellectual Skills	20
Feedback	Mark
Very basic work done on security measures. More adequate details could have been discussed to enhance the security of the given infrastructure (scenario). Could have referred to more industry specific policies and its guidelines. Just writing 7 points does not meet the required task. The organisations of ideas and evidences are good.	10.8

Practical Application Skills	40
Feedback	Mark
Packet Tracer done Other than Packet Tracer Course completion, no other practical tasks were done.	10

Transferable Skills for Life and Professional Practice	10
Feedback	Mark
Flow of ideas are very ok Could have added abbreviations/ definitions of technical terms used in the report.	6.4
Overall Mark	51
