The background of the slide features several thin, curved lines in a light grey color, some solid and some dashed, creating a modern, abstract design.

National Statistics

- Poor mental health costs the Welsh economy at least 4.8Billion annually, according to a news report supported by Swansea University. Currently, in England 12%(34,000)of mental health nurses registered with NMC(Nursing and Midwifery coucil).

The background of the slide features several thin, curved lines in a light gray color, some solid and some dashed, creating a sense of motion or a stylized globe. A large red speech bubble is positioned on the left side of the slide.

Analysis and Conclude

The normalisation of mental health issues like depression and stress disorder through media has led to an increase in demand for mental health professionals around United Kingdom. And now things have worsened due to the Covid –19 depression.

The end

A large red speech bubble with a white outline, containing the text "Any questions".
