How has the student contributed to your team/organisational goals? Please provide specific examples and see the Placement Evaluation marking criteria and additional guidance for details and descriptors.

Iulian completed a work placement at Newcastle Millennium Bridge Premier Inn between May 2nd & July 1st 2022. Iulian learned roles within Reception & Housekeeping and was able to demonstrate his knowledge well. Iulian was unable to complete the final two weeks of his placement due to illness.

Throughout the placement that Iulian completed, he was on time and completed all shifts that were allocated. Iulian worked well with the team and showed the right behaviors when being shown the job role, completing his induction, and applying his learned role when putting into practice. Iulian completed reception tasks and housekeeping tasks following initial coaching and asked for support when required.

Iulian worked well with all the team that he encountered and showed respect to all the leadership team. Iulian interacted well with guests. Iulian learned and participated within the reception department and housekeeping department and got an understanding of what these roles entail. Within hospitality, all leaders need to understand what every role consists off and know how and when they need to support, Iulian has gained this knowledge and experience during his work placement.
