
In-person Infoskills Sessions

Lecturers can book infoskills sessions for students. These can be either online via Teams or in-person, on campus. Sessions include basic and advanced use of library resources and referencing. Smaller, more informal groups or 1-2-1 sessions can also be booked by students. To make a booking, or if you have any queries relating to searching for information, or using our resources, please contact your Academic Liaison Librarian, **Alison Evans**.

- **Finding and Using Information** (identifying, searching for and evaluating resources, using a range of basic and advanced techniques)
- **Referencing and Plagiarism** (why and how to reference, Referencing Handbooks).
