MISSION STATEMENT

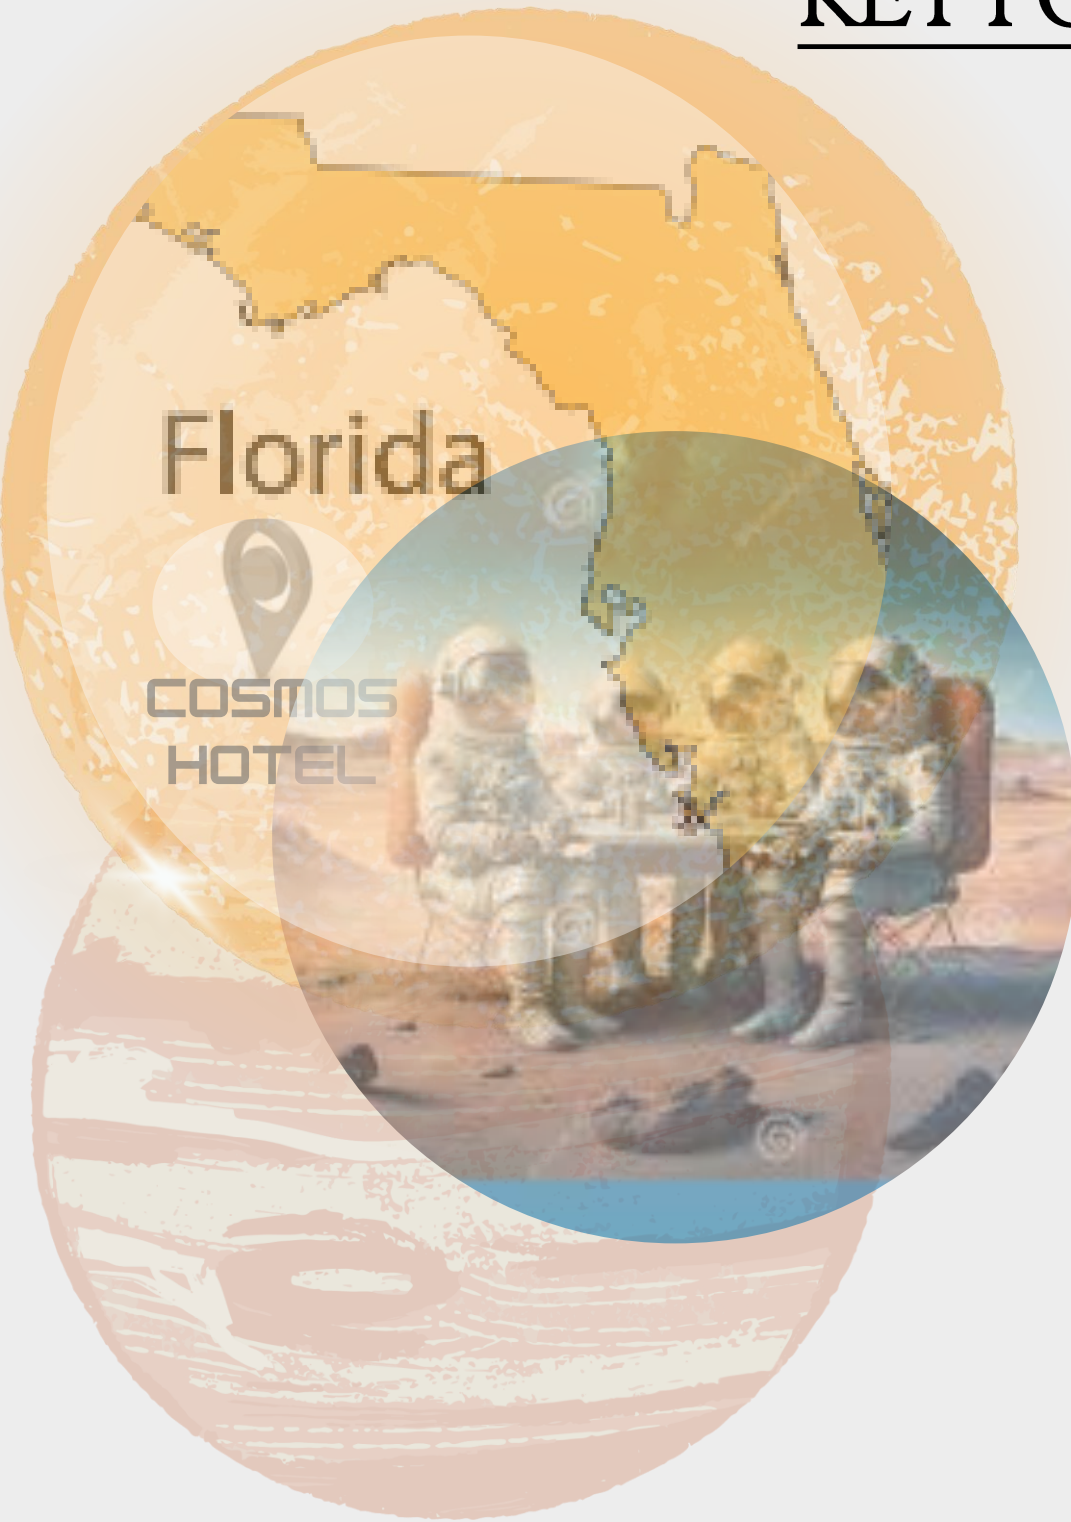

COSMO'S HOTELS' mission is to provide meaningful travel experiences with warmth and light. We focus on exceptional service, supporting our team, adding value for owners, and positively impacting communities worldwide. Committed to sustainability, we reduce waste, minimize food waste, promote recycling, and eliminate single-use plastics. Through the COSMO Foundation, we partner with organizations to address global challenges and support local communities.

KEY POINTS

- unique travel experience
- Educational
- futuristic
- AI operating system
- museum
- Highly technological advance
- Sustainable
- Community engagement

NEW GEN ADVISORY, (2024)

COSMOS HOTEL IMPACT ON SUSTAINABILITY INDUSTRY

Cosmos Sustainable hotels positively impact the hospitality industry by enhancing brand reputation, lowering operational costs, and attracting eco conscious guests. We comply with regulations for potential incentives, foster community relationships through local sourcing, drive innovation for unique guest experiences, and contribute to climate action by reducing their environmental footprint. Additionally, Cosmos educate guests on responsible travel, promoting eco-friendly practices. Overall, being sustainable can help lead the way towards a more responsible and resilient industry.
