

STAY NEAR >>>> GO FAR

SUMMER BRIEF 2020: Surface Pattern Design

Whether it's a virtual visit or a curator's corner, there are plenty of ways to keep exploring the world this summer without stepping a foot outside your front door.
For this brief we would like you to:

- Visit - Explore - Find
- And ultimately **DRAW / PAINT** patterns from across the **world**.

Create an A3 sketchbook flooded with rich exciting pattern!
Work across the pages or within sectioned areas - think...

macro / micro / escapism / freedom / joy / happy / colour / vibrant
