BMPE6003 25/26 Task 1 - What issues are current?

What issues are current?

In the media...

Research...

Amongst your student group / friends / family...

What topics would you like to debate and investigate further during the course of the module?

↻ **Weight loss jabs**

Wegovy, ozempic, mounjaro. Alot of people taking them and there is a 6 year wait in Cardiff and the Vale. Some diabetics who need them can't get them as other people taking them.
