Please meet me on ‘TEAMS’ at the above time to discuss progress of your projects – I will send ‘TEAMS’ invites to each group in advance of your session. Please log on 1 to 2 mins in advance of your time slot and log out (leave) at the end.

Don't forget to include a PDS (list of requirements/your brief to yourself) at the end of the Research Presentations and include a revised one (from feedback on Dec 1st) in the appendices of the manifesto.
