Acknowledgement of AI tool use

I acknowledge the use of DeepSeek (<https://www.deepseek.com/>) on 24 February 2025 to support my research using the prompts:

1. What is food insecurity?
2. Can you help me find scientific peer reviewed literature about School-family involvement strategies?
3. Can you summarise this paper?
4. When did this theory come out? (Asking about Epstein's Model of Parental Involvement)
5. Can you summarise Bronfenbrenner's ecological systems theory?

I confirm that I have not presented any AI generated text as my own work. I confirm I have copies of my drafts, notes, and other resources I used before, and after the use of AI tools which I may be asked to provide in evidence.
