

CLAUDIA BARAGAU

Nurse Manager

ABOUT ME

I am a compassionate person with experience in both care setting and hospital setting, easy to work with, with good communication and leadership skills. Throughout the years of experience I have developed the ability to work well individually and in a team. Able to identify team roles and delegate accordingly. Able to work well under pressure by applying my problem-solving and decision making skills I like to use my spare time developing my skills and seeking out more training opportunities.
