

IMPACT OF TECHNOLOGY ON CAMEROON DEVELOPMENT CORPORATION

To enable Senior and middle
management staffs embrace new
forms of technology

HOW CAN I HELP YOU GET THE?

GUESS WHAT? ITS TECHNOLOGY

Impact of technology in Isreal

We have lots of resources

WHY WE HAVE TO EMBRACE TECHNOLOGY

- Adoption and innovation of new technologies will allow a lot of benefits to the organisation. Such benefits include
- organizations efficiency and effectiveness
- competitive edge advantage
- Global expansion
- Bringing more investors into the business
- Sales and profit increase
- Employees satisfaction with better ways of doing things and eventually salary increase

- ALL WE NEED IS TO FOCUS ON TECHNOLOGY AND TO PRIORITIZE IT AND IMPLEMENT NEW FORMS OF TECHNOLOGY JUST LIKE WE ADAPTED TO THE THE USE OF SMART PHONES,LAPTOPS,IPADS WE SHOULD HAVE AN OPEN MIND AND TO EMBRACE IT TO HAVE SUSTAINABILITY AND COMPETITIVE EDGE.
