Just came home from one of the most  
incredible experiences ever!!

007 museum, Freddy Mercury experience  
and the one and only Paris Catacombs!

Can't not believe I got to see the sets and  
exhibits for some of my favourite films!

Glad to be nearly home but this experience is definitely one I will never forget! Had such an amazing time at the Freddy Mercury museum, The Paris Catacombs and the 007 experience. Oh, and of course falling all over the place tobogganing 😂

Thankyou so much to Camping Jungfrau Lauterbrunnen Switzerland for the beautiful chalet and delicious meals!

Made some new friends and many many memories!

Visited the amazing Freddy Mercury Experience yesterday. What a great way to experience the lives of Queen and what it must have been like to record their very famous albums.

Although the experience would be great anyway, the visit was greatly enhanced for those who had seen their lives in the Bohemian Rhapsody movie.

A week ago today we had just come back from one of the most amazing experiences I've had in a long time.

My first time abroad but definitely not my last. With such fantastic people and incredible film tourism exhibits I can not thank UWTSD enough for the opportunity.

The Freddy Mercury/Queen museum from yesterday!

So amazing to see the actual studio where the band recorded and the exact spot Freddie's made his last recording. Even better after watching their story featured in the Bohemian Rhapsody film!
