

Moodle

Add a Blog Entry

Blogs: A **blog** (shortening of “weblog”) is an online journal or informational website displaying information in the reverse chronological order, with latest posts appearing first.

Step 1: On your Module page **left click** the Blog label (name may vary, match the icon)

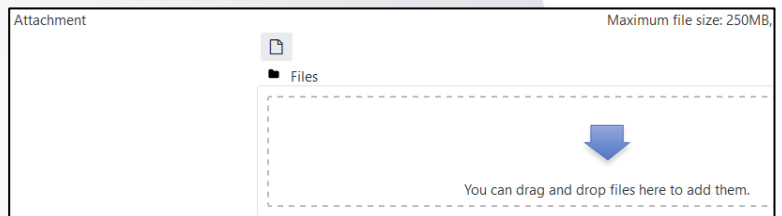

Step 2: click **New blog post** label button

New blog post

Step 3: Type a title for your blog entry

Step 4: Add text, images and links to the message block.
For further instructions on these options please see:
“Moodle Text boxes” and “Moodle insert image recourse” guides.

Option: You can drag and drop a file attachment on the blue arrow.

Option: You can turn comments off but please leave as “from logged –in users” for now.

Yes, from logged-in users

Finally: click **Add Post**

Add post

Cancel

Edits: When you return to the blog entry page you will see options for Edit or Delete this blog entry if you need to.
