ABOUT ME ; OBJECTIVE

I am a very extroverted and charitable person. I enjoy helping and looking out for others. In my spare time, I

enjoy playing pool, going to the gym, travelling, trying and learning new things and or just anything that

keeps me busy. I would like to secure a career opportunity that will allow me to fully utilise my skills while

making a significant contribution to the success of the company by helping them with their needs and wants

and making sure they leave happy and satisfied. This way we can gain loyal customers.

EXPERIENCE & SKILLS

VOLUNTEER AT OASIS ACADEMY RYELANDS JULY 2018

This was my first encounter with the working environment. I thoroughly enjoyed my time working in this

school. Nothing warmed my heart more than seeing a smile on the children's faces after assisting them with

their work or something small like playing football or games with them. In addition to assisting the pupils, it

was my responsibility to make sure that they were safe and comfortable in the playground. At their age, they

tend to play recklessly and would occasionally injure themselves, therefore, it was up to me to prevent them

from getting injured. A skill I gained from this was patience as the children were very stubborn.

Retail Experience

I worked for the company Uniqlo in which I was a stock associate and customer service in where I would direct

and help any customer that are looking for items I would also manage stock in order for the items to be sent

onto shop floor I ensured I was always reliable and work driven.

I also worked for City cruises in which I served customers and was also behind the bar I always ensured I was

engaging with the customers and making sure they had a great experience on the pier. I always made sure to keep myself busy whilst enduring this role.
