GRADEMARK REPORT

FINAL GRADE

40/100

GENERAL COMMENTS

Instructor

Write a use guide that demonstrates the functionality of your system.

20%

You have presented a suitable main menu which will guide the user through the system 8/20

Demonstrate knowledge of the design principles used, when building a system using MS-Excel and VBA that will perform the procedures as requested by the user. 30%

You demonstrate a suitable understanding of the code and have presented some suitable functionality 13/30

Facilities should be incorporated into the system that will automate the user activities. The success of the system build will be measured against the user requirements. 40%

Your system will allow the user to communicate with the excel software and you have implemented some suitable statistical calculations 19/40

Overall presentation 10% 0/10

You have not provided a report. However the code that was submitted and the demonstration of the working software has allowed you to gain a pass grade.
