30 Any comments?

Please use the space below to make any other comments about this module, particularly if you have registered satisfaction or dissatisfaction with any aspects of its delivery

Response

A fews points approved in my proposal were then negatively criticised in my final essay, for this reason I got upset with my tutor. The overall of the module was fine.

A module which gave real opportunities to understand objectively how important is the research in any areas. Indeed I registered satisfaction with the way this module was delivered.

you should include 'not sure' in the answers or 'neither agree nor disagree'
