

HOW TO BE A SAFE DIGITAL CITIZEN

PROTECT YOUR DATA

You need to keep your information safe and don't share it to anyone

CHECK WHAT YOU POST

Try to don't post anything that can hurt other people

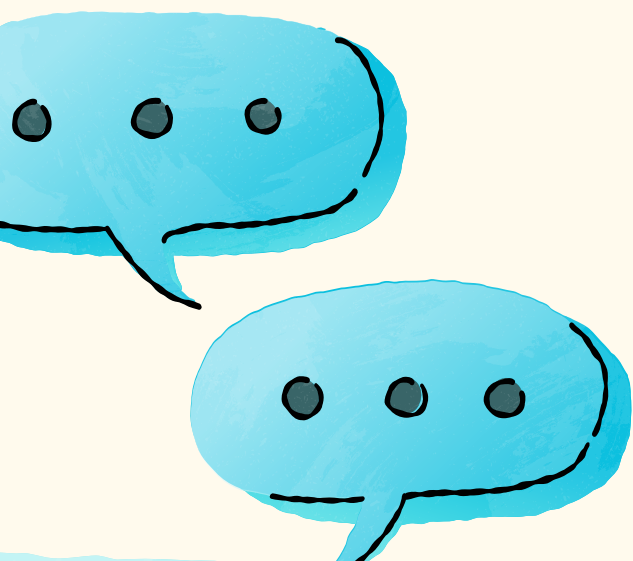

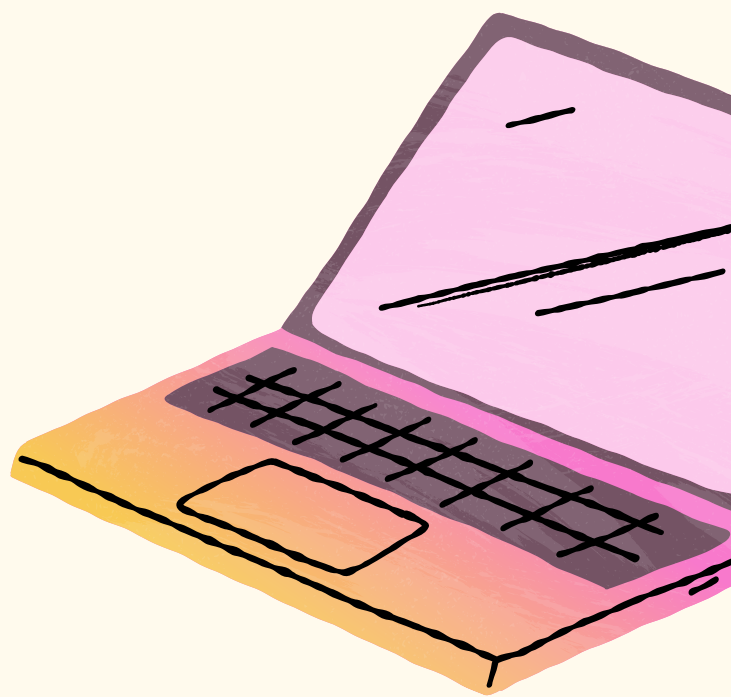

SAFE BANKING

Shop only on safe websites and don't save your card details online

USE STRONG PASSWORDS

Choose unique, difficult-to-guess passwords and don't share them with anyone.

BE CAUTIOUS

Use privacy settings and be careful of online scams
