

- What is multilingualism
- The benefits of multilingualism
- We will concentrate on the German language.

MULTILINGUALISM

A collage of numerous small, torn pieces of paper in various colors (pink, blue, green, orange, yellow, purple, etc.). Each piece has the word 'Thank you' written on it in a different language. Visible words include 'Danke' (German), 'Merci' (French), 'Gracias' (Spanish), 'Thank you' (English), 'شكرا' (Arabic), '謝謝' (Japanese), 'Obrigado' (Portuguese), 'Grazie' (Italian), 'Dziękuję' (Polish), and '고맙습니다' (Korean). The papers are scattered and overlapping, creating a vibrant, multicultural background.

The importance of
language awareness
skills for hotel staff

Example from the hotel industry.
