

UNIVERSITY OF AMSTERDAM

I _____ agree to be interviewed by Chris Luigjes as part of academic research on the intergovernmental relations regarding unemployment insurance, activation policies and welfare at the University of Amsterdam. My consent is entirely voluntary.

The interview will be tape-recorded only if I indicate permission on this form. I understand that if I wish, a transcript of the interview or/and a summary of the main findings will be sent to me. Any recording will only be accessible and listened to by Chris and no one else. My name will not be used in any connection with this study in printed or published materials.

I understand that the interview will take about an hour, and will continue beyond that point only with my consent. I further understand that I may end the interview, or withdraw permission for the interview transcripts to be used in the research project, at any time without any effects to me.

Am I willing to have this interview recorded on tape?
