questions	responses (YES)	responses (NO)	Not bothered
question 1	9	3	0
question 2	8	4	0
question 3	8	3	1

The above chart shows most students have been shown how to use VLE and prefer to use VLE and would rather VLE continue after the pandemic.

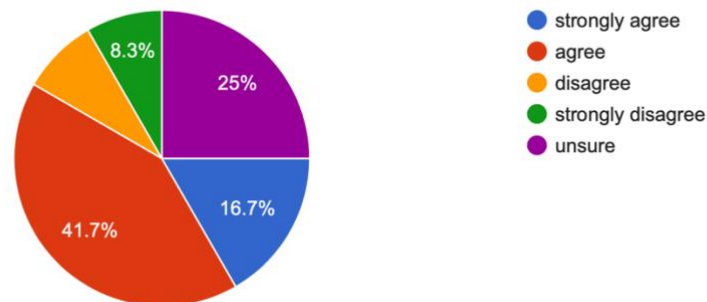

questions	strongly agree	agree	disagree	strongly disagree	unsure
question 4	2	5	1	1	3

Question 4 had very mixed responses with a quarter of the class left unsure of how they prefer to communicate in VLE or in person and a majority of the class actually prefer to communicate with the lecturer and friends in VLE.

Q4. Do you prefer to communicate with your lecturer and friends via VLE.

Questions	Google	library
question 5	9	3

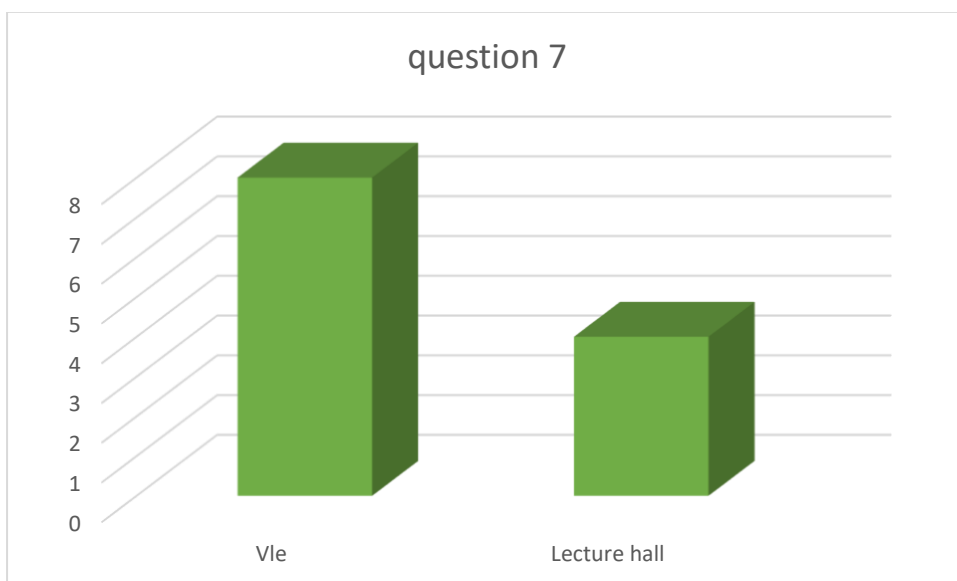

Question 5 shows hardly any of the class prefer the library as a research tool leaving google as the most popular research tool amongst the class.

questions	home	Uni hub	coffee shop	library	
question 6	7	4	1	0	

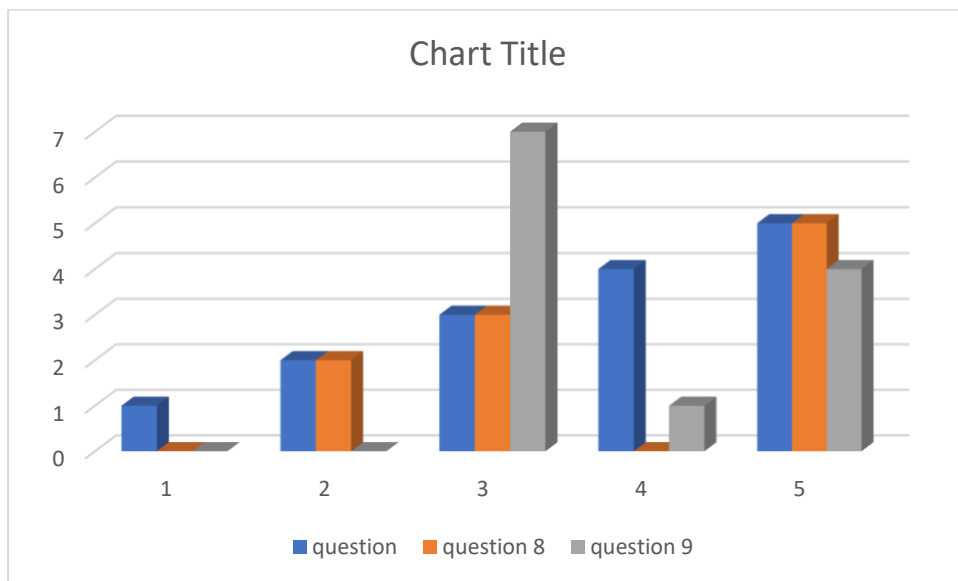

Question 6 asked students where they prefer to study and not one selected the library as a place of study. In fact at least 1 student creating 8 percent of the class would choose to study in a coffee shop and most prefer to study at home.

questions	VLE	Lecture hall
question 7	8	4

Question 7 results lets us know students find it easier to concentrate in their own space using VLE than in a lecture hall.

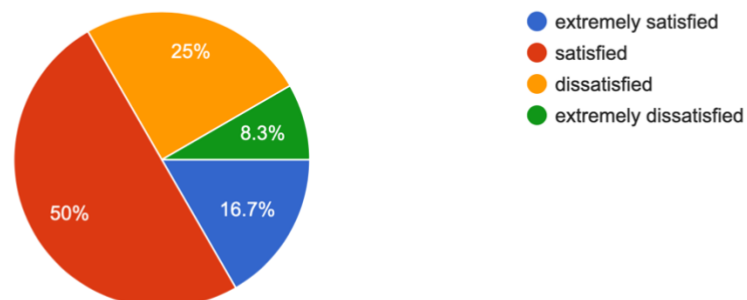

question	1	2	3	4	5
question 8	0	2	3	0	5
question 9	0	0	7	1	4

Question 8 and 9 I asked students to rate VLE from 1 to 5 1 being lowest 5 being highest and if they feel like they have the appropriate tools provided to support their studies.

Q10. Since lockdown how satisfied are you in relation to the support which you from lecturers, University admin and management through VLE towards your studies.
