Theme 5: Resource 1 – Developing community partnerships

What could community partnership working look like in practice? Checklist to help with action planning

This checklist identifies a range of activities that schools might be doing in order to develop and maintain community partnership working. You can rate the extent to which you are already doing this activity (0 = not doing this, 4 = doing this a lot), and consider which actions you might take forward.

Note that these activities are largely the same as those listed under **Theme 5** of the **Advanced auditing tool** resource (Theme 1: Resource 5) in this toolkit (although there is more detail contained in the checklist below, you probably won't want to do both!).

What community partnership working might look like in practice	Rating 0–4	Comments and actions to take
☐ The school takes a strategic approach to community partnerships, planning which relationships to foster, agreeing outcomes, pooling resources where possible and evaluating the impact.		
☐ The school has developed a directory of key community engagement partners.		
☐ Local community groups help to draw families to school

Thema 5: Adnodd 1 – Datblygu partneriaethau cymunedol

Sut y byddai gweithio mewn partneriaeth gymunedol yn gallu digwydd yn ymarferol? Rhestr wirio i'ch helpu i gynllunio camau gweithredu

Mae'r rhestr wirio hon yn nodi nifer o weithgareddau gwahanol y gallai ysgolion eu cyflawni er mwyn datblygu a chynnal gwaith drwy bartneriaethau cymunedol. Gallwch roi sgôr am y graddau rydych chi'n cyflawni'r gweithgaredd eisoes (0 = ddim yn ei wneud, 4 = yn ei wneud yn aml), ac ystyried y camau gweithredu y gallech eu cymryd yn y dyfodol.

Sylwer bod y gweithgareddau hyn yr un fath ar y cyfan â'r rheini sydd wedi'u rhestru o dan **Thema 5** yn yr adnodd **Offeryn archwiliad uwch** (Thema 1: Adnodd 5) yn y pecyn cymorth hwn (er bod rhagor o fanylion yn y rhestr wirio isod, mae'n debyg na fyddwch chi am gwblhau'r ddwy!).

☐ Mae'r ysgol yn ymwneud mewn ffordd strategol â phartneriaethau cymunedol, gan gynllunio pa berthnasoedd i'w meithrin, cytuno ar ddeilliannau, rhannu adnoddau lle bo modd a gwerthuso'r effaith.		
☐ Mae'r ysgol wedi datblygu cyfeiriadur o bartneriaid allweddol ar gyfer ymgysylltu â'r gymuned.

Astudiaethau achos

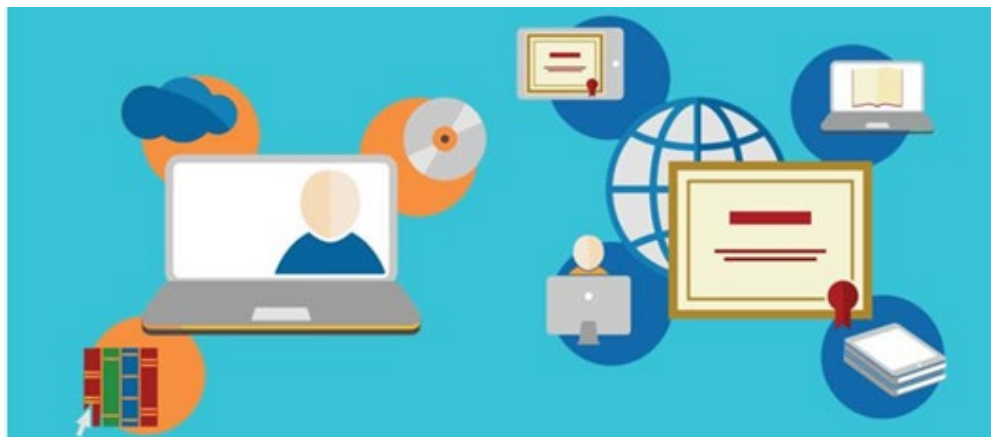

Case studies

Ar y sleidiau nesaf mae yna bedwar astudiaeth achos i chi eu darllen.

1. Beth yw profiadau'r darparwyr o weithio gyda'r gymuned?
2. Beth yw'r cyfleoedd a'r heriau caiff eu hwynebu?
3. Fel grwp, lluniwch boster sy'n crynhoi atebion i'r cwestiynau uchod ac unrhyw wybodaeth allweddol arall rydych chi'n teimlo sydd gwerth ei rhannu.

On the next slides there are four case studies for you to read.

1. What were the providers' experiences of working with the community?
2. What opportunities and challenges were faced?
3. As a group, create a poster that answers the above questions and includes any other key information you feel is worth sharing.

The background of the slide is a solid grey color. It is decorated with several circular clusters of colorful question marks. These clusters are located in the top-left, top-right, bottom-left, bottom-center, and bottom-right areas. The question marks within these clusters are in various colors including red, blue, green, yellow, and purple. The text is centered in the upper half of the slide.
