About

Enthusiastic and dedicated primary school teacher with over 8 years' experience inspiring young learners across Key Stages 1 and 2. Skilled in creating engaging, inclusive, and student-centred classrooms that foster curiosity, confidence, and a lifelong love of learning.

I have a strong interest in creative curriculum design, literacy development, and supporting children with diverse learning needs. My teaching approach combines structured learning with imaginative activities, ensuring every child feels valued and motivated to succeed.

Originally from Italy, I bring a multicultural perspective to the classroom and enjoy promoting global awareness and language learning at an early age.
