	It seems to me that this is an important module to take prior to any of the 'optional' modules. What has been presented & learned during RCC would have been immensely beneficial in maximizing the potential for enhanced learning and grades in the 3 optional modules already completed. RCC as my 2nd to final module now causes me to feel my efforts, and grades, would have been better served had I completed RCC first. However, I am grateful for what I learned in RCC & enjoyed the class immensely.
