

Welcome to the **FABULOUS ANIMALZ SAFARI**

Please do not feed or touch the animals

The tour will begin at 3pm on Wednesday 26th May in the woods opposite N001 (Norah Isaac building, beyond the pond, around the lamp post, follow the sound of humming)

This is a rare opportunity to see these soon to be extinct creatures in their natural habitat.

A map of the tour is available, but it will also be possible to follow the creatures as they make their way around campus.

This performance is part of an assessed module for second year BA Dance and second year BA Acting students - Specialised Performance. The piece was created by the students in collaboration with Zosia Jo as part of a wider research and performance project. Credit and special thanks also to Eeva Maria Mutka, George Fuller and Lee Tinnion for their creative input.

Performers: Chloe Harrison, Dan Pitts, Emma Sinnott, Kim Price, Savannah May Hope Thomas, Vinny Saxton-Voigt and Yacine Rezig

A note on Covid safety- this performance is outdoors and therefore as long as social distancing is observed should be very safe. Please observe a 2m distance from performers and other audience members. A mask may be advisable for additional safety.

Please note, this is not a sit down performance, it is a walk. If you have mobility requirements or questions about access requirements please contact Zosia at joondance@gmail.com
