MODULE AIM

- To develop students awareness of employability in a local and global context.

LEARNING OUTCOMES

By the end of this module students should be able to:

1. identify a personal skill-set and knowledge relevant to the project;
2. demonstrate awareness of sustainability and global citizenship within the context of the project;
3. demonstrate a range of employment skills in the completion of a group project;
4. organise their knowledge and learning through use of a range of information resources, and present their work at the appropriate level.

ASSESSMENT

Assignment 1 - Group Presentation (50% of module mark)

TASK DESCRIPTION

- Working together in groups of no more than **four** that you have selected yourselves, you are required to research, prepare and deliver a 10 minute presentation with supporting notes, on your allocated project topic, demonstrating problem solving skills in relation to the local and global context.

- The Key Issues you should focus upon are as follows:

- o ***The Sustainable Environment and Globalisation***

- o ***Leadership and Entrepreneurship***

- o ***Community participation (locally and nationally)***

Please note that you will be assessed on the process and the product of your group work i.e.

- **CONTRIBUTION:** Each individual group member must complete a learning log of their contribution to their group presentation. This individual learning log should be agreed by the group as a whole and submitted with the group presentation.

- **INTERACTION:** Each group will deliver a brief presentation of their findings. Each member of the group will be required to contribute equally to this presentation. This will in part be evidenced by:

- o Individual learning logs which indicate your individual contribution to the group.

- o Actual contribution during the group presentation.

- o Tutor questions and student answers at the presentation.

Submission: The group leader will be responsible for submission of Presentation slides and copies of all team members' group learning logs to be submitted to Moodle by the group leader.

N.B. This means that the group must prepare **two SECTIONS of your document for submission – The slides used for the presentation with references AND the group Learning Log – which will be an excerpt of the individual Learning Logs – submitted as one body of work. For those of you making use of PowerPoint slides, the Learning Log should be clearly titled after your references section in your document. You will all submit **ONE** document to moodle ensuring all the names and numbers of team members' have been stated.**

Your Learning Log has no fixed number of words.
