An Introduction to Intersectionality

Intersectionality

(Romero, 2018)

Intersections and Commonality

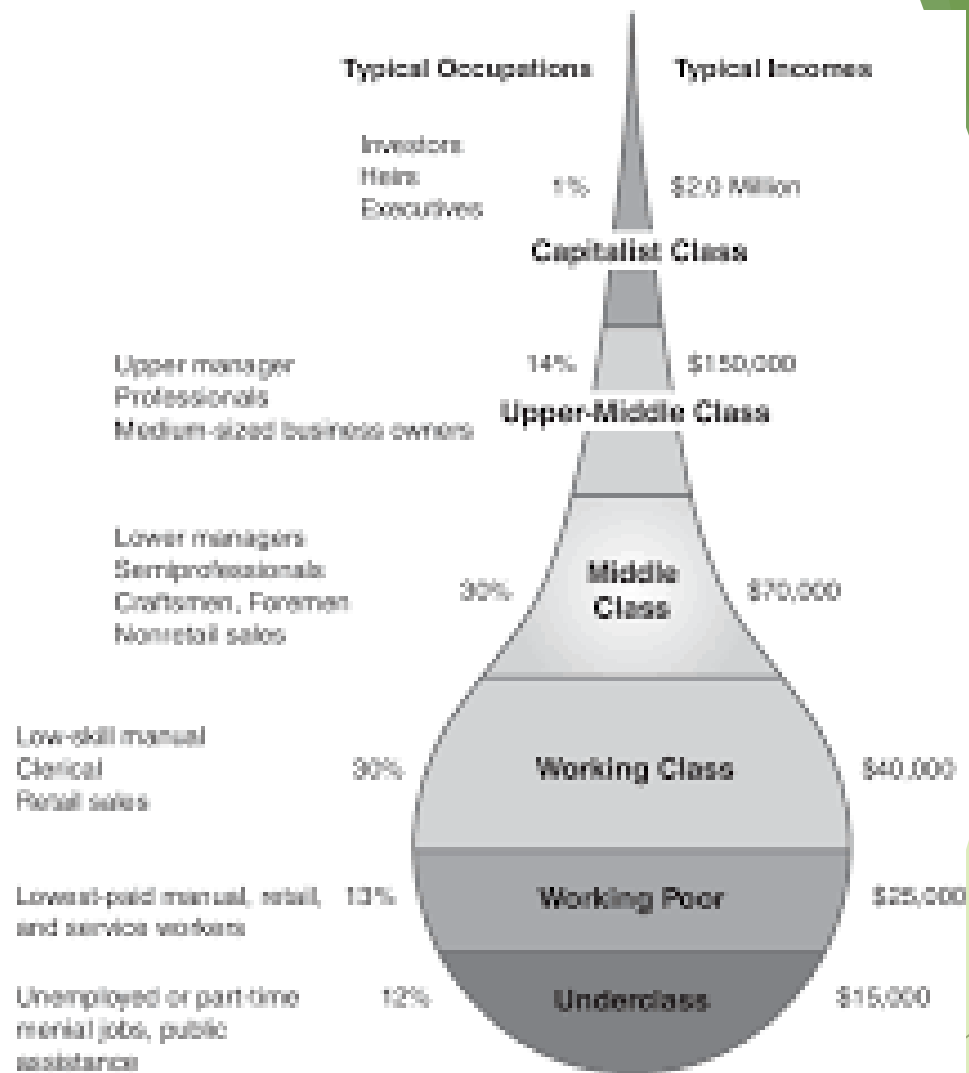

(Birgit, 1991; Romero, 2018)

Social Stratification

- ▶ Combinations of:
 - ▶ Race
 - ▶ Class
 - ▶ Sexual orientation
 - ▶ Identity
 - ▶ Wealth
 - ▶ Talent etc.

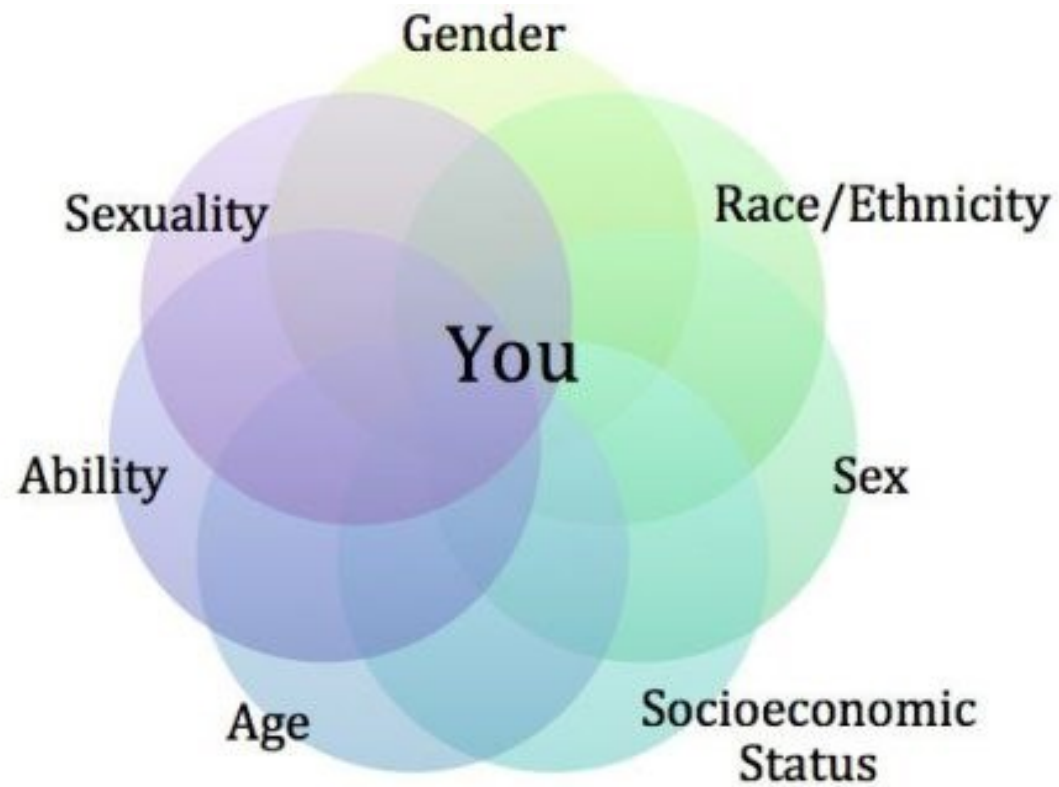

(Romero, 2018)

Gendered Stratification

- ▶ How might 'gendered stratification'
 - ▶ Affect life-course potential
 - ▶ Life-choices
 - ▶ 'Others' opinions (of you)
 - ▶ Career trajectory etc.
 - ▶ (Gilbert & Kahl, 1949)
- ▶ Discussion
- ▶ What role does 'primary socialisation' play in the acceptance of identity (your identity)?

Compound Nature of Intersectionality

(Collins 2019; Hill & Bilge 2019)

Racial-Ethnic Inequality

These separate disadvantaging factors have the potential to change life-course trajectory.

What is the impact of multiple/intersectional labels being applicable/applied by 'others'?

How does this work in reality?

What legislation might exist to counteract this effect?

Does this legislation work?

Is it effective?
