Zig-Zag Zebra lives in the Letterland zoo.
This zoo isn't like an ordinary zoo.

No-one ever shuts the animals in their cages
because they are all so friendly.

Sometimes Zig-Zag Zebra pretends to be asleep
when people come to visit her. She makes a sort
of 'zzzz zzzz' sound. But she's not really asleep,
she just feels a little bit shy.

Everyone knows that Zig-Zag is the fastest
animal in Letterland. Guess how many prizes she
has won in races.

Dozens and dozens!

Zebra crossing

Here are the five Vowel Men. You have already met them on other pages. Can you remember their names?

There's Mr A, the Apron Man; Mr E, the Easy Magic Man; Mr I, the Ice Cream Man; Mr O, the Old Man and Mr U, the Uniform Man.

Now you have met nearly everyone in Letterland ... but don't forget that Letterland is a secret place. That means all the people and animals are usually invisible. So when they are in words, you will only see their letter shapes.

But you'll know who they really are, won't you!
