2pm-4pm Health and Social Care-related Workshops

1. Life of a mental health practitioner and the importance of creating a supportive working environment (legal obligations) for effective mental health practice

Guest speaker: **Marcia Rice**

Room: WH4

Marcia works as a Mental Health Trainer and consultant for Change4life and AT & S Consultancy Services. She delivers Safeguarding training on a variety of mental health, social care and forensic programmes, specialising in BME communities, women and young people.

Marcia is a qualified Social Worker. She has worked with Substance Abuse prevention/Strengthening families at risk programme, Community programmes for Parents at risk. She has managed Mental Health in US prisons and domestic violence outcomes in family courts.

Marcia has a MSc in Socio Legal Studies and a MPhil Criminology from Cambridge University.

2. Working with homeless and vulnerable young people

Guest speaker: **Maria Chatzikou**

Room: WH5

Maria Chatzikou has been working since September 2021 as a Housing Officer for the Brighton & Hove City Council. Maria has many years of work experience in the UK in high-support housing projects supporting vulnerable young people and homeless people.

Maria has previously worked for five years for the YMCA DLG, at Brighton and Hove, where she had the position of Deputy Manager. Maria has also worked for the 'Smile2Live' project as a Project Manager of an emergency accommodation for homeless people, and previously as a Sessional Worker for Housing First, NSNO, and Rough Sleepers Team, for CRI.

Maria Chatzikou has a PGCert in Education by the Technological School of Thessaloniki, an MA in Criminology by the University of Brighton, and a BA in Sociology by the University of the Aegean.

Students who have classes on that day should attend their classes as usual.
No registration is required prior to this event.
Certificates of participation will be provided to all students who attend.
