Marked By	Nitheesh Murugan

Engagement with Literature Skills	15
Feedback	Marks
In-text citations done. However, no literatures were attached to the document.	0

Knowledge and Understanding Skills	20
Feedback	Mark
Benefits and drawbacks of T1 &T2 hypervisor, cloud computing stated with Examples. Description on DNS given with illustrations. However, could have drawn a diagram to illustrate your understanding rather than referring to internet source diagram. Brief overview on 2 critical roles stated. Different terminolgies stated with its purposes.Could have added more description on the observational tasks IEEE Formatting done. More evidences on statements required. Could have added chapters/ topics with numbers to follow up.	14.5

Cognitive and Intellectual Skills	20
Feedback	Mark
More adequate justification could have been given in justifying Practical Tasks. Eg: Instead of "the below setting is required for the successful completion of Client 2", could have briefly described on why those settings are configured? Reflection on the tasks stated. Screenshots were not as documented as required. Could have documented the "Guru meditation" error in the document and discussed the troubleshooting steps taken. Could have focused on more critical analysis observation part. Analysis of the outcome done.	10.8

Practical Application Skills	40
Feedback	Mark
Screenshots were not documented as per the requirement. No time stamp was shown. Could have added more descriptions. Not included some of the screenshots required as evidence. Optimizations etc were not documented. The Ping was not successful. No description/ Justification on that was provided. Without a successful ping, how did you manage to proceed further? No clarity on the screenshots provided. Evidences on successful completion of the task was not provided.	22.2

Transferable Skills for Life and Professional Practice	5
Feedback	Mark
Flow of Ideas are ok. Could have added definitions and abbreviations for technical terms.	3.6
Overall Mark	51
