Engagement with Literature Skills	15
Feedback	Marks
In this section for a student to do well, they needed to do in-text referencing from credible and relevant diversity of sources. Where possible one will be expected to critically appraise the literature engaged. Lastly one is expected to apply appropriate referencing conventions. Literatures referred to the work were not adequate. Summaries and Critical appraisals required. Could have added references to practical tasks as well.	2.6

Knowledge and Understanding Skills	20
Feedback	Mark
To score high marks one needed to demonstrate systematic understanding of various technologies that were installed or deployed during practical work. The strength of statements given, and critical understanding of concepts covered under observation task contributed to the score on this section. Marks for the structure of the document were also considered in this section. More effort required. There are a lot of room for improvement. Could have focused on writing more	13.6

Cognitive and Intellectual Skills	20
Feedback	Mark
To do well in this section one needed to demonstrate cognitive and intellectual skills by critically analysing and evaluating different technologies and methods used in practical work. There was also a need to answer the why, how and when, questions so as to give justification for arguments and judgements made through out the whole assignment. Well done ! Room for improvement on critical analysis	15.5

Practical Application Skills	40
Feedback	Mark
For a student to excel they needed to provide evidence of the practical work done by using time stamped screenshots and a narrative text to accompany the screenshots. It needed the skill to know which screenshots to include and how much to write as a narrative and when to reference the narrative. Well done you did well on your practical work with appropriate screenshots and narrative texts answering the question why you were carrying out task.	40
