My Short Reflection

- Write 5–8 simple sentences about your digital life.
- You can use the sentence starters below if helpful.

I use digital tools every day for different things, like checking my emails and using apps on my phone. I also use online websites to check my crypto investments and my banking account. I use digital tools when I want to book a flight or find cheaper tickets. I want to improve my PowerPoint skills so I can make better presentations for my university classes. Sometimes I need more practice to feel confident using different digital tools. I hope this module will help me improve my skills and learn new things. Digital skills are important for me because I use them in my studies and in my daily life.
