B LESSON PLANNING AND PREPARATION						A clear and welcoming start to the lesson, made everyone feel welcome. Very engaging. The introduction to the subject was deft. A very knowledgeable and expert presentation delivered with clear self efficacy and with clear structure. The session was contextualised in the work of Beal. + for I found the lesson extremely interesting and in the sort of topic I enjoy. You made it interesting to the point on the lesson plan there is a bit of objections, also it is mapped to Prof. Harold's (L1pt), clear on cutting themes. A workable structure to the lesson. Excellent theoretical understanding.
