

What challenges does Accountability pose for you as a leader?

Which master to serve in terms of priority

Healthy performance regime

Changing expectations

Taking on too much

Everything is the priority so nothing is!

Unclear expectations

What are we accountable for?

Who to please and in what order

What challenges does Accountability pose for you as a leader?

Challenging cultures

Changing goalposts

Changing senior
leadership - lack of
stability

The alternative to good
performance is the
consequence of not
meeting objectives

Pressure
