

The evacuation

I wock up one early morning to the Sound of my mum bellowing. "Tim wack up you Lazy boy." I ran down Stares I could Smell the Crisp Sound of bacon my Sister Sarha Sobing in the Corner as on the radio the primmister anousing that Britian were going to war with Germany. All children must be evacuated. I was astonished. my mum Said were having our last breakfast before you Leave. After there breakfast they went the train Station. to get regsterd and then we got on the train.

Girl spotted sinking ship.

Thanks to Laura perryman for spotting a sinking ship and bringing mony to bryher.

Yesterday ,Laura perryman was milking cows on samson hill with her twin brother Billy perryman. Then out from the horizon beond the whit Island there was a ship sinking and Laura and Billy ran home and told there farther. The gig was lounched in five minets. When they looked it looked like the st. marys gig would get there first but they lost an oar and had to turn back. So when the chif shoke hands with the captin of the wreck of the general lee all the island cheard. The general lee was taken back to shore and the chif said 'if we had no Laura we would have no mony' now thay will have enuf mony for a month and Laura should have a happy 14th birthday.
