

Robert Owen Challenge Cup

Do you have a great idea for a business? Deadline 9th November 2018

The Robert Owen Challenge Cup is an annual university-wide entrepreneurial competition run by the Swansea Business School. Cash prizes are awarded to the winning teams along with invaluable advice from business experts.

This year there is the opportunity for the winning team to present their idea at EurekaFest in California in April 2019.

The Challenge is designed for students who have a business idea that they believe can be launched commercially. Past winners have come from the Faculty of Humanities and Performing Arts, Film and Digital Media, Swansea Business School and Carmarthen Business School. Undergraduate and postgraduate students are welcome.

The competition is open to individuals and teams of up to 5 people who must be current students of the University of Wales Trinity Saint David.

The student (or group of students) is asked to prepare a short summary of their business (no more than 500 words) via [surveymonkey](https://www.surveymonkey.co.uk/r/JMGBYZZ) (<https://www.surveymonkey.co.uk/r/JMGBYZZ>).

The successful finalists will then be invited to pitch their idea to a panel of experts and answer questions that seek to clarify the concept as well as receive feedback from the experts.

Closing date: 9 November 2018

Finals: 14th November 2018 from 1:30pm
