

Students for the Thursday and Friday of the leadership days, 5th & 6th of March

Please ensure you bring plenty of warm clothing, as discussed for this round of activities we will be coming back to a base after each activity so you will be able to access bags on the mini bus. Therefore you won't have to carry all you bring so can leave spare clothes and food on the mini bus.

As with last time please come to the business campus for 8.30 am with the following equipment:

- Waterproof jacket
- Waterproof trousers (these need to be a separate shell to go over your normal trousers)
- Footwear you don't mind getting very wet and muddy
- Spare warm clothes such as fleece(s)
- Warm hat and gloves (essential!)
- Lunch and plenty of fluids to drink, including a flask if you like.

In terms of allocating students to the activity days I have given all those that were there in the session in the SA1 campus the day they asked for and put everyone else into the thurs and fri group. There is however still room for more in the mon and tues group so if your name is below and you would rather do the mon and tues then let me know ASAP and I will move you. This will be first come first served.

Any questions please get in touch – neil.hapgood@uwtsd.ac.uk

Many thanks, Neil
