

Task One

Using a PC or ipad, source the following:

FIVE newspaper articles

You must only use the *Guardian* or *Independent* websites

TWO of your newspaper articles must be related to your chosen professional

THREE of your newspaper articles must be related to your chosen problem (or generally around the problem area)

For ALL FIVE, answer the following in your notes:

1. Title, author and date of article
2. Summary of article in five sentences
3. What facts or statistics are in the article?
4. What opinions are in the article?
5. What is your own opinion of the content of the article and how does it link into your own assignment work?

You will then be asked to feedback your findings
