Dear Participant:

My name is James Michael Thomas and I am studying in the School of Sport.

I would like to invite you to participate in my research project. This project will hope to show a local schools future in rugby and aims to Analyze the current factors that influences participation in rugby at Bishop Vaughan Comprehensive school and determine its feasibility for continued investment in the school's Curriculum

*Attached to this letter is a short questionnaire developed by Myself which will assess Pupils Opinions on the future of Rugby in their school. I believe your opinions will be extremely helpful to me.

Through your participation in the questionnaire and/or interviews, I hope to ascertain a positive data collection.

All questionnaires will be kept strictly confidential to the researchers involved and at **NO** time will individual questionnaires be released to the general public. This gives you a chance to express your views on your programme a confidential and anonymous forum and still be able to make a difference. Your participation in this study is completely voluntary so you can withdraw from the questionnaire at any stage.

Our questionnaire should take about 5 minutes to complete, but there is no time constraint. There are also no right or wrong answers. Attached to this letter along with the questionnaire is a consent form and also a feedback sheet. As this is a new project, your feedback is also important to us and we would be much obliged if you could also complete the feedback sheet along with the questionnaire. We understand that your time is at a premium, but your opinions are very valuable to us.

After careful and precise analysis of the data obtained from this questionnaire, I will be happy to provide you with a copy of the findings at your request. The results of this questionnaire will hopefully enhance my understanding of participation of rugby in bishop Vaughan and the sports future.
