

UWTSD Lighting Workshops 2025

Here's a list of references to help with your personal study;

Lighting Basics

Books;

Perhaps a bit 'old fashioned' now.. it is still one of the best introductions
Francis Reid ; Stage Lighting Handbook ISBN 9780878301478
Published January 2, 2002 by Routledge

Video

This is American.. so some of the lanterns are slightly different to UK.. but still a very useful introduction.
