One digital skill I use every day is using Gmail. I use it to send and receive emails, communicate with others, share files, and keep track of important information.

My Short Reflection

- Write 5–8 simple sentences about your digital life.
- You can use the sentence starters below if helpful.

I use digital tools to communicate with others, find information, and learn new things.

I feel confident when I use Gmail, WhatsApp, YouTube, and Instagram.

I want to improve my computer and digital skills.

I often use these tools: Gmail, WhatsApp, YouTube, Instagram, and Google.

I sometimes feel nervous about using new digital tools that I have never used before.

I hope this module will help me improve my digital skills and feel more confident using technology.

Digital skills are important for me because they help me communicate, learn, work, and manage everyday tasks more easily.
