Covid-19 Vaccinator

Crest Pharmacy - Nuneaton
June 2021 to Present

- Undertake both routine and specially identified tasks for which the post holder has been trained and assessed as competent
- Ensure proper disposal of clinical waste and change of PPE as per local and national guidelines
- Confirm the identity of the client, check they are happy to proceed with vaccination. Address any additional questions or refer back to the registered health care professional as appropriate
- Ensure that the client is comfortable, offer seat if necessary, encourage them to relax their arm and make sure they are in the most appropriate position to receive the vaccine
- Administer the vaccine via the intra muscular route (either client's upper arm - deltoid muscle or anterio lateral aspect of the thigh if indicated) in accordance with training and local and national protocol, procedures and standards
- Immediately observe client's reaction and if appropriate, direct people to the registered healthcare professional or post vaccination observation area
- Be able to respond to and raise issues or concerns with the registered health care professional, supervisor on complications or emergency situations, such as anaphylaxis
- Once the vaccination is delivered, dispose clinical and non-clinical waste in bins provided at the station and ensure surfaces are wiped down
- Wear adequate PPE equipment in line with current national guidelines. Conduct hand hygiene, either alcohol hand gel or hand washing according to guidance before and after each vaccination
- Respond to queries appropriately and liaise with the registered nurse supervisor where necessary to gain further advice or information

[Full Job Description](#)

An excellent opportunity has arisen for a highly motivated, enthusiastic and caring person to join our Community Nursing Team within Dudley NHS Foundation Trust, supporting Long Term Conditions and Community Nursing staff, you will be part of a team providing high quality nursing care to patients in the community, driver essential. Minimum training requirements is a qualification in NVQ Level 3 Health and Social Care.

Previous experience as a Health Care Assistant in Acute or Community Nursing setting essential. You will have good communication skills and be able to work independently and as well as part of a team.

The post-holder is responsible for the ongoing assessment of care needs and the development, implementation and evaluation of programmes of care. The post holder will carry out all relevant forms of care and will take responsibility for caseload holders in their absence.

At the Dudley Group our patients and staff are at the heart of all that we do and that is to provide a world class service that aligns with our vision of providing safe, caring and effective services because people matter. We are seeking to recruit staff who share our vision and values of making Dudley Group an incredible workplace.

We are committed to becoming a diverse and an inclusive employer and where people feel sense of belonging. Seeking to expand diversity within our teams, we positively encourage applications from under-represented groups such as BAME, disabled and LGBTQ+ groups. We are also under-represented in-terms of gender within nursing roles and we would welcome applications from people from male and non-binary backgrounds. We are committed to home life balance through flexible working and making reasonable adjustments where possible.

Please refer to the attached job description for full details of the main duties and responsibilities that the post holder is required to undertake

The Dudley group NHS foundation trust.
DY12HQ Dudley , Birmingham
Fe: Application for HEALTH CARE ASSISTANT position with
The Dudley group NHS foundation trust.

Dear Hiring Managers

I am pleased to be applying for the Care Assistant job within The Dudley group NHS foundation trust which has been promoted on Indeed.com as I am confident that I possess everything necessary to execute the job and all associated duties successfully. What is more, I believe that it would be an excellent opportunity for me to further grow both personality and professionally. As stated in my CV I am a professor Health and Social Carer, offering excellent stress management skills and the ability to function well both independently and in a team setting. I was in charge of supporting multiple medical professionals with various duties, helping disabled patients with physical tasks and developing and maintaining clean and safe environment. On top of that I administered medication, organised and coordinated leisure activities and assisted on the development of individual care plans.

It would be great to meet in person face-to-face interview. I am available any day of the week and can be reached by phone +447478602934 and my email address eliss.elisa@yahoo.com .

Thank your for your consideration, and I look forward to hearing from you to discuss this opportunity further.

Sincerely
Elisa Chinta
