1. Research	The research process Involved Identifying the Keywords associated with the position description of Mental Health Support Workers from sources that were accessible on NHS , Mind, Rethink Mental Illness, Skills for Care, and Department of Health Websites. Each source was analyzed based on the criteria set out in the CRAAP test (Currency, Relevance, Authority, Accuracy, and Purpose).
2. Presenting	Presentation about the chosen role in the video format of five minutes consisted of information regarding the responsibilities of Mental Health Support Worker. The choice of that role was explained and the research method together with search criteria were determined. Moreover, the CRAAP test of the chosen sources was done.
3. Challenges you faced with your presentation	Because of these uncertainty Issues regarding the Importance of role, research was necessary in order to solve such Issues. The video taping of the presentation caused worries. There were also Issues in terms of the speed of the speech since the speech was too fast due to fear and lack of sufficient time. There was an Issue of transition from one segment of the speech to another.
4. Actions to improve	Some structured ways of improving Include ; Weekly video practice, practicing the transitions in order to make the presentation seamless, timing the presentation in order to increase confidence, and CRAAP test. The database of examples will be created in Task 3 research.
5. Further steps needed to Prepare for Task 3	Task 3 shall entail research into three key skills of Mental Health Support Workers using source that have already been evaluated according to the CRAAP criteria. Examples that would be applicable in the workplace, along with outlines for all parts of the report, should be provided. Presentation skills gained in Task 2 shall come in handy while doing Task 3.
