Response

During the marking phase the tutors contradicted themselves in the commentary. I have learned that this seems to be a norm for professors.

More time could be spent on getting help with essays and not just listening to the tutors lectures. There need to be more tutorial time for assessments.

So Much to cover. Impossible to absorb all information but a great learning journey.

Thoroughly enjoyed the module and assessments were marked clearly with very useful feedback from tutors.

I have found the on line delivery\webex especially helpful this term. The portability has enabled me to participate in webex sessions and access learning resources despite having to travel overseas to visit ill/hospitalised relatives.

All the staff are consistently supportive, enthusiastic and simply inspiring.
