☒ selected Ambient / Cinematic Songs for Games | [cancel](#)

We are currently working on multiple gaming projects that require Ambient and Cinematic Songs.

Various scenes include: Haunting, Action, Moody, Sparse, Romantic

Songs need to be between 3 and 8 minutes. Minimal vocals - prefer female vocals.

All genres of music accepted.

Fallen Highway Studios specializes in signing songwriters and artists for synch to Games, Ads, Film and TV. We have direct ins with music supervisors and agencies which work on all types of projects that require music.
